

Research Paper Topic:

Keywords that you used:

Write down the keywords that you use during your search. Try several different ones until you find some resources that you think match your topic.

1) KCTCS Library Catalog:

Do a keyword search using some keywords related to your argument/position paper topic. Be sure to limit your search to "Madisonville CC."

Click on a book that you find interesting that does not contain the words "[electronic resource]" in its title. It will take you to the book's record. Write down the book's information.

Book FULL TITLE: _____

Author(s): _____

Publisher: _____ Year: _____

Call Number: _____

2) NetLibrary:

Go back to your search results screen. Click on the first title you find interesting that has "[electronic resource]" in its title (if there are any). Once you are at the book's record, find "Madisonville CC Electronic Books (NetLibrary)" and then click on "Click here to read this electronic book from NetLibrary." You will be taken into NetLibrary. Write down the e-book's information.

Book FULL TITLE: _____

Author(s): _____

Publisher: _____ Year: _____

3) EBSCOhost Web:

1) Find a **full text** article on the EBSCOhost Web "Academic Search Premier" database that you can use for your research paper. Be sure to limit your search to "Full text documents only." Once you have found your full text article, write down the following information about the article.

Article FULL TITLE: _____

Author(s): _____

Journal Title: _____

Volume: _____ Issue: _____ Year: _____ Page numbers: _____

2) **E-mail the article** to your e-mail address. Be sure to log into your e-mail account to make sure that it arrived in your inbox.

3) Once you are done, turn this paper over and work on the activity "Evaluating Free Websites."
